

Around The World

MÖWE

The kisses of the sun
Were sweet I didn't blink
I let it in my eyes
The radio playing songs
That I have never heard
I don't know what to say
Oh not another word

Just, lala la la la
It goes around the world
Just, la la la la la
It's all around the world
Just, la la la la la
And everybody's singing
La la la la la

And now the bells are ringing
La la, la-la
And now the bells are ringing
La la, la-la
And now the bells are ringing
La la, la-la
And now the bells are ringing
La la, la-la

It's all around the world
Just, la la la la la
Just, la la la la la
(It goes around the world)
(It goes around the world)
Just, la la la la la
(It goes around the world)
(It goes around the world)

Inside an empty room
My inspiration flows
Now wait to hear the tune
The magic melody
You want to sing with me
Just la la la la la
The music is the key
And now the night is gone
Still it goes on and on
So deep inside of me
I don't know what to do
I can't explain to you
I don't know what to say

And now the bells are ringing
La la, la-la
And now the bells are ringing
La la, la-la
And now the bells are ringing
La la, la-la
And now the bells are ringing
La la, la-la

It's all around the world
Just, la la la la la
Just, la la la la la
(It goes around the world)
(It goes around the world)
Just, la la la la la
(It goes around the world)
(It goes around the world)

Oh not another word
Just, la la la la la
And everybody's singing
La la la la la
And now the bells are ringing
La la, la-la
And now the bells are ringing
La la, la-la
And now the bells are ringing
La la, la-la

Just, la la la la la
(It goes around the world)
(It goes around the world)
Just, la la la la la
(It goes around the world)
(It goes around the world)
