

Bad Intentions

MÖWE

I'm sorry that you messed up
But I don't seek revenge
I'm leaving with my head up
Yeah, I know I can't pretend
Yeah, I know I can't pretend

'Cause we will never be the same
I won't follow you
See your face and feel ashamed
Now you better move
Now you better move

Take all your bad intentions
And go go go, go go go
Take all your bad intentions
No no no, no no no

I'm sorry that you messed up
But I don't seek revenge
I'm leaving with my head up
Yeah, I know I can't pretend
Yeah, I know I can't pretend

'Cause we will never be the same
I won't follow you
See your face and feel ashamed
Now you better move
Now you better move

Take all your bad intentions
And go go go, go go go
Take all your bad intentions
No no no, no no no

Take all your bad intentions
And go go go, go go go
Take all your bad intentions
No no no, no no no
