

Barking

MÖWE

I might link my ting from Barking

I'm icy
I got a tick from my head to my feet, that's Nike
And that's pricey
See them guys over there? They ain't like me
Got a Portuguese ting, not wifey
She said my temper's tiny
I got two different worlds like Miley
You hit me up, that's unlikely

But I walked in the room with a fresh trim
Showing my Colgate teeth
Yeah, they're looking at me
Saying, "Can I get a pick for the 'Gram
Just like AJ T?"
No wonder they hate on me
'Cause I'm making Ps and they see these clothes
Yeah, I...

I might link my ting from Barking
7 AM in the morning, she's calling
I'm yawning, she's jarring
No stalling
I might link my ting from Barking
7 AM in the morning
She's calling, I'm yawning, she's jarring
No stalling
I might link my ting from Barking
7 AM in the morning, she's calling
I'm yawning, she's jarring
No stalling
I might link my ting from Barking
7 AM in the morning, she's calling
I'm yawning, she's jarring
No stalling

Many guys
Many many many many guys
Hate me and it's true, too bad
I just stunt on you, too bad
I don't look like you
Like many many many many guys, yeah
Hate me and it's true, too bad
I just stunt on you, like too bad

I might link my ting from Barking
7 AM in the morning, she's calling
I'm yawning, she's jarring
No stalling
I might link my ting from Barking
7 AM in the morning, she's calling
I'm yawning, she's jarring

I might link my ting from Barking
7 AM in the morning, she's calling
I'm yawning, she's jarring

No stalling
I might link my ting from Barking
7 AM in the morning, she's calling
I'm yawning, she's jarring
No stalling
