

Boy Oh Boy

MÖWE

I have tried but he doesn't love me, he doesn't love me - e
I should cry but my blue eyes are dry
I'm dying inside but I'm still alive
He has give me signs
But I'm a blind
Is he looking at me
Or the girl behind
My mind is in knots
I can't untie
Be mine, this time

Boy oh Boy oh Boy
I hate you but I love you you (you you you you you you you)
Boy oh Boy oh Boy
I hate you but I love you you (you you you you you you you)

I have tried but he doesn't love me, he doesn't love me - e
I said hi with the sun in my eyes
I can't tell if he's smiling
I love when he's smiling
I can't compete
With no one else
He's thinking of me
When he is by himself
Would he love me more
If I look away and play his game

Boy oh Boy oh Boy
I hate you but I love you you (you you you you you you you)
Boy oh Boy oh Boy
I hate you but I love you you (you you you you you you you)
There is something about you
There is something about you
Boy oh Boy oh Boy
I hate you but I love you you (you you you you you you you)

Girls and boys, lost in love
Girls and boys, lost in love
Girls and boys, lost in love
Girls and boys, lost in love

(Lost in love)

There's something about you

Boy oh Boy oh Boy
I hate you but I love you you (you you you you you you you)
Boy oh Boy oh Boy
I hate you but I love you you (you you you you you you you)
Boy oh Boy oh Boy
I hate you but I love you you (you you you you you you you)
(I hate you but I love you)
Boy oh Boy oh Boy
I hate you but I love you you (you you you you you you you)
(I hate you but I love you)
