Chasing Clouds

MÖWE

Let the sun put a smile on your face
Let the sun put a smile on your face
Yeah eh-eh-ah
Time flies by as we're watchin' the sea
Let's start chasing clouds
As I'm lyin' under the trees
Heart and mind are trying to find me
Traces in the sun, we got traces in the sun

Fall on you, fall on you, fo-fo-follow on you
Fall on you, fo-fo-follow on you
Fall on you, fo-fo-follow on you
Fall on your face
Fall on you, fall on you, fo-fo-follow on you
Fall on you, fo-fo-follow on you
Fall on you, fo-fo-follow on you
Fall on your face

Let the sun put a smile on your face
Let the sun put a smile on your face
Yeah

Moon and the stars remind me of good times, yeah, of good times
Moon and the stars remind me of good times, yeah
And I let them roll with me
Let them roll, let them roll
Let them roll

Fall on you, fall on you, fo-fo-follow on you
Fall on you, fo-fo-follow on you
Fall on you, fo-fo-follow on you
Fall on your face
Fall on you, fall on you, fo-fo-follow on you
Fall on you, fo-fo-follow on you
Fall on you, fo-fo-follow on you
Fall on your face

Let the sun put a smile on your face
Let the sun put a smile on your face
Yeah
Birds are chasing clouds as I'm lying under the tree
