

If I Ain't Got U

MÖWE

They're standing before me
A million stories
Reading between the lines
And they didn't bore me
And now that I'm fallen
I'm felling it every time

Oh, how I love you, babe
And do you feel the same?
'Cause I keep on singing your name

Oh, how I love you, babe
In every single way
I keep on singing your name

And I, I wouldn't know what to do
Life would be painting me blue
If ain't got, if ain't got
If ain't got you

All of the skies would be gray
No one to hold in the rain
If ain't got, if ain't got
If ain't got you

If ain't got you

Like stars in the midnight
You get me so high
It's something about the way
The way that you move me
Just like in the movies
Dancing inside the frames

Oh, how I love you, babe
Say you feel the same?
'Cause I keep on singing your name

Oh, how I love you, babe
In every single way
I keep on singing your name

And I, I wouldn't know what to do
Life would be painting me blue
If ain't got, if ain't got
If ain't got you

All of the skies would be gray
No one to hold in the rain
If ain't got, if ain't got
If ain't got you

If ain't got you

Ain't nobody
No, nobody touch my body like you
Like you

Ain't nobody
No, nobody touch my body like you
Like you

If ain't got you, you
If ain't got you
If ain't got you
If ain't got, if ain't got
If ain't got you

If ain't got you

If ain't got you
