

Inside

MÖWE

Remember the time
We tried to catch the sun
To catch the sun
To catch the sun

Followed it everywhere
Five years
We were gone
We were gone

I think we died
Of exhaustion
And the stars are crumbling
We [?] for sharing emotions

Think ahead
Of the time
Think ahead
Of the time

And if you can't
I won't leave you behind
I'm always there
Deep inside
Deep inside you

And if you can't
I won't leave you behind
I'm always there
Deep inside
Deep inside you

Suddenly
We are free
No more tears
No fears

Suddenly
We are free
No more tears
No fears

And if you can't
I won't leave you behind
I'm always there
Deep inside
Deep inside you

And if you can't
I won't leave you behind
I'm always there
Deep inside
Deep inside you
