

Seven Days

MÖWE

We used to love
I still get your smile on my lips
We used to love
I still get your smile on my lips
We used to love
I still get your smile on my lips
We used to love
I still get your smile on my lips

It seems like silent as the sun awakes
Since the last time we talked
I still get your smile on my lips
I still get your smile on my lips

Already planned a holiday
In a cute little house
We used to love
We used to love

I can't remember a thing
I can't remember a thing
Already found some ring in the gap of my bed
I guess it got lost
I guess it got lost

I see you, I smile you
I can't get rid of this feeling
I see you, I smile you
I can't get rid of this feeling
I see you, I smile you
I can't get rid of this feeling
I see you, I smile you
I can't get rid of this feeling
I see you, I smile you
I can't get rid of this feeling
I see you, I smile you
I can't get rid of this feeling
I see you, I smile you
I can't get rid of this feeling
I see you, I smile you
I can't get rid of this feeling
