

Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-la-la

I'm really Tokyo, drinking that loose leaf
So many pretty sights, know you say "Uhwee"
Late nights in LaLaLand, chill with celebrities
I jump, enjoy a jet, kinda feel empty

Two weeks in Tel Aviv, I know around the beach
I try to call you up, I guess it's fantasy
Feel like you're on me, holla at means nothing
Yeah I'm jumping up, down
All around the world I like that

Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-world, they love that

Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-la-la

Rooftop in Abu Dhabi, straight up a wall in hands
That crowd has so damn money but I feel broke as hell
When I'm to Amsterdam we're ravin' on a boat
No matter where I am I only think of you

Wake up alone again, go turn on the telly
They acting like they're friends, they never nearly
Feel like you're on me, holla at means nothing
Yeah I'm jumping up, down
All around the world I like that

Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz
La-la-la-la-la-world, they love that

Untz, untz, untz
La-la-la-la-la-la-la
Untz, untz, untz

La-la-la-la-la-la
Untz, untz, untz

La-all around the world, I like that
Untz, untz, untz
