

It's not actually Valentine's Day where I live  
But it is somewhere in the world  
And I figure you know I got to write a song about this  
So if you can relate, give it a like

Guy after guy  
Crush after crush  
Never really figured it out with someone  
I can't deny, I'm quick to gush  
But it never works out so I'm done!

It's Valentine's Day  
And I'm lonely and single  
But it's better this way  
I don't like to mingle

I'll be my own Valentine, it's fine  
I'll be my own Valentine  
Wow I'm so lucky to be my own Valentine

Oh my god I'm so lonely (oh my god chill)  
Sorry sorry, back to the song

Mmmmm, mmmm, mm mm

Oh guy after guy  
Crush after crush  
I never really figured it out with someone  
Even though I cry, I'm not in a rush  
I prefer Netflix over everyone (so tumblr)  
Hashtag relatable

It's Valentine's Day  
And I'm lonely and single  
But it's better this way  
I don't like to mingle  
But I do like Pringles
