Standin' in crowds, wearin' pretty pink dresses
And puttin' myself on display
Livin' through filters and shakin' the hands of
Adults who have too much to say

Sharpen my pencil and check all the boxes
That other people have made

Ooh-ooh-ooh
Spinnin' around the sun twenty-one times got me dizzy
Ooh-ooh-ooh
Changin' makes me afraid, I would give anything to feel my age

A good sense of self and selfless intentions
Your parents are so proud of you
You talk like you've lived years beyond you could give
What the hell are you trying to prove?

Sharpen my pencil and write my own thoughts
To a girl that I wish that I knew

Ooh-ooh-ooh
Spinnin' around the sun twenty-one times got me dizzy
Ooh-ooh-ooh
Changin' makes me afraid, I would give anything, anything
Ooh-ooh-ooh
Spinnin' around the sun twenty-one times got me dizzy
Ooh-ooh-ooh
Changin' makes me afraid, I would give anything, anything

Spinnin' around the sun (Ooh-ooh-ooh)
Dizzy from it all (Ooh-ooh-ooh)
Spinnin' around the sun (Ooh-ooh-ooh)
Dizzy from it all (Ooh-ooh-ooh)

Ooh-ooh-ooh
Spinnin' around the sun twenty-one times got me dizzy
Ooh-ooh-ooh
Changin' makes me afraid, I would give anything to feel my age
