

# don't play your card

mxmtoon

I used to think about a life  
One that I would live with you  
I used to think about the moments  
And all the things that we would do

But now I've grown a little more  
And I can tell what's real and fake  
Oh you've changed quite a lot  
I can see why we needed to break

Cause I  
I don't love you anymore  
I'm sorry  
I'm not that sorry  
Cause you  
You kinda treated me like shit  
I hope you're sorry  
You better be sorry

You better be sorry  
(You best be sorry)

You've tried to play your card again  
But it's been one too many times  
I gave you a second chance  
But by the fifth, it was a crime

And it was partially my fault  
For thinking that you'd actually care  
I guess I wanted to believe  
That maybe love was in the air

But now I know that  
I, I don't love you anymore  
I'm sorry  
I'm not that sorry  
Cause you  
You kinda treated me like shit  
Tried to cheat with some other girl  
How's that supposed to make me feel

But I hope you know  
That I wish the best for you  
I know deep down you're a good guy  
But I was so tired of all the lies

Maybe one day  
You'll figure it out oh  
But don't come crawling back  
Because this time I won't crack

Cause I  
I don't love you anymore  
I'm sorry  
I'm not that sorry  
Cause you  
You honestly treated me like shit

And I hope you feel sorry  
Hope you feel kinda sorry

Cause I  
I don't love you anymore  
I'm sorry  
I'm not that sorry  
Cause you  
Kinda treated me like shit  
I hope you feel sorry  
You better feel kinda sorry
