

## Auld Lang Syne

MxPx

Should auld acquaintance be forgot  
And never brought to mind?  
Should auld acquaintance be forgot  
And auld lang syne!

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup o' kindness yet  
For auld lang syne

Should auld acquaintance be forgot  
And never brought to mind?  
Should auld acquaintance be forgot  
And auld lang syne!

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup o' kindness yet  
For auld lang syne
