Friday Tonight

MxPx

How did we make it this far?
How did we learn to stay alive?
How did my head not separate my body from my mind?
How did the planets get aligned?
How is it every single time?

I'm in the kitchen, you're in the kitchen
In the god damn refrigerator
I've always loved that line
I say it every time

Like tonight
It's Friday tonight, tonight, tonight
It is really fine
It's Friday tonight, tonight, tonight
It's Friday tonight
Friday tonight
Friday tonight, tonight, tonight
Friday tonight, tonight, tonight
It's Friday tonight

How old would you be if you forgot your birthday?
How would you change your life if you could never die?
Would you do good or do crime?
How is it every single time?

I'm in the kitchen, you're in the kitchen
In the god damn refrigerator
I've always loved that line
I say it every time

Like tonight
It's Friday tonight, tonight, tonight
It is really fine
It's Friday tonight, tonight, tonight
It's Friday tonight

How crazy would you be?
How crazy would you go?
If you had everything
You lost it in the throw
You win some, you lose some
But you live, you live to fight another day

I've always loved that line
I say it every time

Like tonight
It's Friday tonight, tonight, tonight
It is really fine
It's Friday tonight, tonight, tonight
It's Friday tonight
Friday tonight
Friday tonight, tonight, tonight
Friday tonight, tonight, tonight
It's Friday tonight
Friday tonight

Friday tonight, tonight, tonight
Friday tonight, tonight, tonight
It's Friday tonight
