

Ready To Rage

MxPx

Standing on a platform
Waiting for a train
Feels like the time is moving further away
If patience is a virtue
Then surely so is pain
And all the hell that we're made to pay

So run for your lives
Or swallow the pill
There's no turning back
No this isn't a drill
It's the fight of our lives
Our coming of age
Now it's getting harder
To stay this engaged

Now I'm ready to rage!

We tend to skirt the issues
Ignore the hardest parts
The ignorance is way off the charts
But you can't throw a wolf to the wolves cause they'll just laugh
They'll smile as they tear you in half

So run for your lives
Or swallow the pill
There's no turning back
No this isn't a drill
It's the fight of our lives
Our coming of age
Now it's getting harder
To stay this engaged

I'm ready to rage!

So run for your lives
Or swallow the pill
There's no turning back
No this isn't a drill
It's the fight of our lives
Our coming of age
Now it's getting harder
To stay this engaged

Are you feeling lost
With so much to gain?
We have to be smarter
Learn when to refrain

When you take the plunge
No matter your doubt
Isn't that what this whole life is about?
Let's figure it out
