

Stutter

My Darkest Days

My dear my dear my dear you do not know me

But I know you very well

Let me tell you that I c-c-c caught you caught you (2x)

Talk to me and tell me where you were (late last night)

You just told me you're with your friends hanging out (late last night)

You are lying, cause you're stuttering

Now where were you? (late last night)

Stop lyin' to me about where you've been cause you're tickin' me off (t-t-t-tickin' me off)

(4x)

I can see you're lyin', cause when you're replyin'

You stutter stutter

You stutter stutter

I smell cologne, damn it's strong

How'd you get it on? (I'm not dumb)

The mess of your hair, makeup's everywhere

Oh yea (I'm not dumb)

You're crying cause you're lying

To my face (I'm not dumb)

Stop lyin' to me about where you've been cause you're tickin' me off (t-t-t-tickin' me off)

(4x)

I can see you're lyin', cause when you're replyin'

You stutter stutter

You stutter stutter

My dear my dear my dear you do not know me

But I know you very well

Let me tell you that I c-c-c caught you caught you (2x)

I can see you're lyin', guessin' you'll be cryin'

You stutter stutter

You stutter stutter

(3x)

I can see you're lyin', cause when you're replyin'

You stutter stutter

You stutter stutter
