My Life With The Thrill Kill Kult
China de Sade
China de Sade, China lust,
super highway living.
China de Sade, China lust,
I need the flesh your giving.
Play to the hands of the psykotic fool,
China so cool.
Deceiving and cold in her nocturnal mood,
China grooves.
Breed if you will your criminal style,
China wild.
Undress and possess,
the them die by the rule,
Yeah China, you're so cruel.
Bleed if you must you're victims of trust,
China lust.
Bitch Goddess bit blonde velvet dust
China lust.
Eyes full of wild
China de Sade.
