

Death Threat

My Life with the Thrill Kill Kult

The young, the evil, and the savage
They live, they love, they die
The young, the evil, and the savage
They live, they love, they die

Come over here
Let me look in your eye
Let me look in your mind
Let me cut up your life

Death threat!
I'm warmin' you now!
Death threat!
Warmin' you now!
Death threat!
All black and blue
Death threat!
Baby that's what I do
Death threat!
Look at me now

Death threat
Death threat
Death threat

Run angel run
Run angel run
Run angel run
They live, they love, they die

Come over here
Feel the burn of my knife
Take your last breath
Let me cut up your life

Death threat!
I'm warmin' you now!

Death threat!
Warmin' you now!
Death threat!
All black and blue
Death threat!
Baby that's what I do
Death threat!
Look at me now
Death threat!
Death threat!
Death threat!

They live, they love, they die

Death threat!
I'm warmin' you now!
Death threat!
Warmin' you now!
Death threat!

All black and blue
Death threat!
Baby that's what I do
Death threat!
Look at me now
Death threat!
Death threat!
Death threat!
Run angel run
Run angel run
Run angel run

Liar!!! Liar!!!
Run angel run
Run angel run
Liar!!!
Run angel run
Liar!!!
Run angel run!

How many people are in the Brooklyne bridge?
