

# High Class Taboo

## My Life with the Thrill Kill Kult

May God strike me dead if I ever hustled  
I stole and ran up bills I never paid  
But I never hustled

Very deadly you, very deadly you  
Ooh, baby, ooh  
She's expensive when nude  
A stranger in time, lonely alley cat temptress  
Ooh, baby, ooh  
She's one hell of a screw, pay by the hour  
She's a sexual actress  
Woo hoo hoo

Very deadly you  
Stuck in a lie from a bad reputation  
You, baby, you  
High class taboo  
Suckin' the life out of our situation  
Her mind's asleep, but her body's on fire  
Zombie lover's gonna get you higher

Very deadly you, very deadly you  
Ooh, baby, ooh  
She don't play by the rules  
Slaughter the night, feed your guilty persuasions

Ooh, baby, ooh  
She ain't got nothing to lose  
On a suicide ride filled with lurid seductions  
Woo hoo hoo  
Very deadly you  
Stuck in a lie from a bad reputation  
You, baby, you  
High class taboo  
Suckin' the life out of our situation  
Yeah, she's high class taboo, keep away  
High class taboo, high class taboo  
Woo hoo hoo

Very deadly you  
Stuck in a lie from a bad reputation  
You, baby, you  
High class taboo  
Suckin' the life out of our situation  
Her mind's asleep, but her body's on fire  
Zombie lover's gonna get you higher  
When she's got a lot of cash, she feels alive  
That dirty little whore will take you for a ride

Very deadly you
