

Everyday Magic

My Morning Jacket

I make a promise to the falling rain
I make a promise to the sky
I make a promise to myself to say
I need some help this time

I think you know that I can't do it alone
I need your heart, I need your mind
I pray for patience to deliver us from
Wasting our precious time

Everyday magic
A ripple in the fabric
Of all space time, oh, you have it
In your heart!
Everyday magic
The test of time, you passed it!
For the spell you cast is lasting
Burning strong!

In my heart
Before my eyes
In my heart

I'm wanting to live out my fantasies
Not tomorrow but today!
I want a love, I want a life
I want it all by yesterday

You show me love, you show me slow magic!
You show me true togetherness
You show me something I could never forget
How to trust myself

Everyday magic
A ripple in the fabric
Of all space time, oh, you have it
In your heart!
Everyday magic
The test of time, you passed it!
For the spell you cast is lasting
Burning strong!

In my heart
Before my eyes
In my heart
Before my eyes

In my heart
Spell, you had me, you had me going under
Before my eyes
Spell, under your spell!
In my heart
Spell, you had me, you had me going under
Before my eyes
Spell, under your spell!

In my heart

Spell, you had me, you had me going under
I never dreamed it could be such
Before my eyes
Spell, under your spell!
A wonderful thrill!
In my heart
Spell, you had me, you had me going under
I never dreamed it could be such
Before my eyes
Spell, under your spell!
A wonderful thrill!
In my heart

I never dreamed it could be

Everyday magic
In my heart
A ripple in the fabric
Before my eyes
Of all space time, oh, you have it
In your heart!
Everyday magic
In my heart
The test of time, you passed it!
Before my eyes
For the spell you cast is lasting
Burning strong!

Everyday magic
In my heart
A ripple in the fabric
Before my eyes
Of all space time, oh, you have it
In your heart!
