

I Just Wanted to Say

My Morning Jacket

Even though I was really friendly
I just wanted to be your friend
Even though there's no happy endings
I just wanted it to end.

Even though I was really friendly
I just wanted to be your friend
Even though there's no happy endings
I just wanted it to end.

I just wanted it to end

Gone, I've had enough
Gone, I've had enough
Gone, I've had enough
Gone, I've had enough

Even though I was really friendly
I just wanted to be your friend
Even though there's no happy endings
I just wanted it to end.

Even though I was really friendly
I just wanted to be your friend
I just wanted to be your friend
I just wanted to be your friend

Gone, I've had enough
Gone, I've had enough

Gone, gone, gone
