

Wasted

My Morning Jacket

Wasted

Face it, now

Wasted, oh, oh, oh, oh

Woah, oh, ooh, oh, ooh, oh, ooh, oh, oh, oh, oh, oh

Wasted

Face it, now

Wasted, oh, oh, oh, oh

Woah, oh, ooh, oh, ooh, oh, ooh, oh, oh, oh, oh, oh

To anticipate, you're alone and you know

You done something wrong

You been wasting

Too much time lately

You been gone

An illusion then, but one more pressing

Wasted

Face it, now

Wasted, oh, oh, oh, oh

Woah, oh, ooh, oh, ooh, oh, ooh, oh, oh, oh, oh, oh

Too afraid to live

So you go, on your own

To avoid what's there

Not much time left to undo what's been

Not alone

An illusion then, but one more pressing

Wasted (Wasted)

Face it, oh

Wasted, oh, oh, oh, oh

Woah, oh, ooh, oh, ooh, oh, ooh, oh, oh, oh, oh, oh

Wasted (Wasted)

Face it, oh

Wasted, oh, oh, oh, oh

Woah, oh, ooh, oh, ooh, oh, ooh, oh, oh, oh, oh

Woah, oh, ooh, oh, ooh, oh, ooh, oh, oh, oh, oh

Woah, oh, ooh, oh, ooh, oh, ooh, oh, oh, oh, oh, oh
