# Play Dirty

**My Passion**

Let's play dirty in the sand
Leave the body
Take the hand
Fingerprint me in your life
I could kill my perfect wife

She's so lovely
When she's online Shopped up photograph
In reality she fell someway short
Of that

Oceans are miles away
Surf, surf, surf!
Make a living
Would you murder for me?
Kill, kill, kill!
Would you murder for love?
Would you murder for love?

The Senators daughter take me
On a holiday
In the water we can
Make a murder plan

The man in person
Was a cut price washed up hologram
In Play dirty
He fell someway short
Of that

Open the world for me
Go go go
Make a living
Would you murder for me?
Kill, kill, kill
Would you murder for love?
Would you murder for love?

Would you murder for me?
Kill, kill, kill
Would you murder for love?
Fingerprint me in your life
I can kill my perfect...
Wife
