

## I Slip Away

## My Sister's Machine

Sweet smile of thunder  
Sweet crying rain  
It's coming after me  
That sweet smile of pain  
I can fight it but it feels so good  
I'll bleed freely as I slip away  
Standing naked and my  
Back is to the wind  
My limbs are burning  
As I face my living sins  
I can fight it but it feels so good  
I'll bleed freely as I slip away
