

# Melancholia

## My Ticket Home

I don't wanna be a loser  
I don't wanna be your friend  
Sometimes pain is satisfying  
Love the lie until the end

Say my name like it's on fire  
I'd be happy to pretend  
'Cause nothing's real and nothing matters  
Won't you take me to the end?

Get caught in the rain  
I'm losing my safety now  
I fend to the flame while it gets me high tonight

I don't wanna be a loser  
Nothing more without regret  
'Cause I've seen heaven without dying  
Check the world inside my head  
And now, it taunts me  
They try to scream

Get caught in the rain  
I'm losing my safety now  
I fend to the flame while it gets me high tonight  
Save me now

Now, they caught me  
They try to scream  
I don't wanna be a loser  
I don't wanna be your friend  
Sometimes pain is satisfying  
Love the lie until the end

Get caught in the rain  
I'm losing my safety now  
I fend to the flame while it gets me high tonight  
Save me now
