

Damage

Mýa

You could do damage, oh
Ooh, you could do damage
Ooh

You shut it down, turn it on
Any time you come around
You the body with the brain
The pleasure and the pain
A perfect combination to keep my heart on lock
I could get lost in your love
Can't get enough, I want it all
You the quiet storm roaring over me
Drown me in your rain
Strike me down like you're lightning

Oh yeah, yeah, yeah
Boy, you're dangerous
Oh yeah, yeah, yeah
Like a weapon in the wrong hands, you

You could do, you could do
You could do damage (ooh)
You could do, you could do
You could do damage (do)
You could do, you could do
You could do damage
You could do, you could do
You could do damage

J's and the white T, diamond or gold
Tailored three-piece suits, or nothin' new
Boy, you're just so attractive
Without nothin' added
Don't need to do the math to know that you a problem
All night long
I might let you smash 'til we break down
You're the money and the fame
The power and the name
Since you let me taste I ain't never givin' it away

Oh yeah, yeah, yeah
Boy, you're dangerous
Oh yeah, yeah, yeah
Like a weapon in the wrong hands, you

You could do, you could do
You could do damage (you could do damage to me)
You could do, you could do
You could do damage (oh boy)
You could do, you could do
You could do damage (yes, I understand)
You could do, you could do
You could do damage

Like five minutes (like five minutes), without it (without it)
Became slow if you weren't there
You could do, you could do

You could do damage (yeah)
Make a girl fall deep in love (love)
Just one dose of you is way too much
Boy, you could do, you could do
You could do damage
Boy, you could do damage to me, yeah

You could do, you could do
You could do damage (don't do me baby, do it to me boy)
You could do, you could do
You could do damage (drown me in your love, yeah)
You could do, you could do
You could do damage
(You could do damage so bad I can't stand it, oh no)
You could do, you could do
You could do damage

You gon' hurt somebody's feelings
Can they be mine
'Cause I'm willin' if you willin'
You're so fuckin' fine
Oh whoa, oh whoa, oh whoa
