

I'ma Do It

Mýa

Sittin', sippin', feelin' myself I'm gone
I'm don't need permission, listen
Let me handle this here, I'm grown
Blowin' my money 'cause I don't owe nobody nothin'
Turn up my song, and I dance how I want don't hear nothin'

If I wan' twerk... I'ma do it
Go to work... I'ma do it
Get myself a couple hours on the low... I'ma do it
Wanna lean... I'ma do it, be a freak... I'ma do it
Keep the money and the mug on mean... I'ma do it, do it
Ohhhhhh... I'ma do it (do it) Ohhhhhh... I'ma do it (do it)

Twisted, lifted, and I'm gon' have a good time
I don't need permission, listen
Can't nobody kill this vibe
Buyin' more rounds and I'm not turnin' down not for nothin'
I got the ice, I'm so cold, chillin' like it ain't nothin'

If I wan' drink... I'ma do it
Hit the bank... I'ma do it
Tell' 'em I don't give a fu' wha' you think...
I'ma do it
Wan' smoke... I'ma do it
Get the stroke... I'ma do it
Be a flirt and gi' a nigga false hope...
I'ma do it, do it
Ohhhhhh... I'ma do it (do it) Ohhhhhh...
I'ma do it (do it)
