

## Love Elevation Suite (Intro)

Mýa

Somebody turn this up, it's going down  
Bout to take you higher than the clouds  
Once we go up, no coming down  
You already know

Talking bout love, love, love  
Elevation  
Talking bout love, love, love  
Elevation  
(Suit, suit love)  
Love, love, love  
Elevation  
Talking bout love, love, love  
Elevation  
(Suit, suit love)
