

Ready For Whatever

Mýa

(Ohh, ahh)

I'm not all in my feelings, just tellin' you how I feel

(Ohh, ahh)

'Cause I got caught up in a moment, tell me where you wanna take it from here

(Ohh, ahh)

Ohh

'Cause I'm ready for whatever

(Ohh, ahh)

Ready for whatever

'Cause I'm ready for whatever!

Let me near so I can make a move

I don't want just a dose of you

I prefer to have it all, whatever we wanna call it!

I ain't worried 'bout no other bitches

Shit, it's cool when we're together

Me and you don't get no better!

(Ohh, ahh)

I'm not all in my feelings, just tellin' you how I feel

(Ohh, ahh)

'Cause I got caught up in a moment, tell me where you wanna take it from here

(Ohh, ahh)

Ohh

'Cause I'm ready for whatever

(Ohh, ahh)

Ready for whatever

'Cause I'm ready for whatever!

I'm not one to show feelings, 'cause I gotta keep it trill

Ohhh

But if you asked, I'd say yes, 'cause you already know the deal!

[?] we could try if you want

Do this right now if you say it's a go

You know things nobody will ever know

In the bed I already know you a player!

(I know)

Either we both ain't gotta say shit

Or tell me where you wanna take it!

(Ohh, ahh)

I'm not all in my feelings, just tellin' you how I feel

(Ohh, ahh)

'Cause I got caught up in a moment, tell me where you wanna take it from here

(Ohh, ahh)

Ohh

'Cause I'm ready for whatever

(Ohh, ahh)

Ready for whatever

'Cause I'm ready for whatever!

It's way more fun

'Cause I'm ready for whatever!

It's way more fun
'Cause I'm ready for whatever!
