

## Simple Things

Mýa

I want you to understand  
Before we cross that line  
Don't get it confused  
I just want you

I don't want no money from you  
I just want your love  
I don't want nothing from you, love  
Your heart is just enough

Loving you is so easy  
You don't gotta make it hard

All you gotta do  
Is the simple things  
(Is the simple things)  
I don't want too much  
Just the simple things  
Just the simple things

Money ain't a thing to me  
Love is not a game to me  
I don't wanna die baby  
I just want a lot of time baby, yeah

I don't need the gifts  
Expensive things, I ain't tripping  
Oh no, no, no  
I just need and want you here  
Material things don't mean nothing  
Just remember why I'm here

Oh, loving you could be so easy  
You don't gotta make it hard

All you gotta do  
Is the simple things  
(Is the simple things)  
(Yeah, yeah, yeah)  
I don't want too much  
Just the simple things  
(All I need is your love)  
(Just the simple things)

Money ain't a thing to me  
Love is not a game to me  
I don't wanna die baby  
I just want a lot of time baby, yeah

I'm with you, I'ma say it again  
I'm with you (When I am with you)

No money, no house, no shoes  
No clothes, no cars could ever substitute  
'Cause all I need is you

Oh, loving you is so, so easy

You don't gotta make it hard

All you gotta do  
Is the simple things  
(Is the simple things)  
I don't want too much  
Just the simple things  
(I need you, I need you)  
Just the simple things

Money ain't a thing to me  
Love is not a game to me  
I don't wanna die baby  
I just want a lot of time baby, yeah

Ooh, mmh  
Yeah
