

# Sorry

Mýa

Boy I know I don't deserve you  
Cause I couldn't afford your love  
All you asked me for was time  
But I couldn't give you why  
When you asked me for my heart  
I was busy playin the card  
See I had to be the one that was controlling the game  
So busy tryin to be the ace I couldn't see my king  
I didn't realize  
Until it was too late  
I was losing everything

Now I'm looking at you with this dumb look on my face  
Wishing I could say I'm sorry  
Wishing I could make you stay  
Cause I messed up I know  
I was fucked up I know  
Sorry ain't gonna change a damn thing  
Sorry ain't gonna change a thing

Now I'm looking at you with this dumb look on my face  
Wishing I could say I'm sorry  
Wishing I could make you stay  
Cause I messed up I know  
I was fucked up I know  
Sorry ain't gonna change a damn thing (damn thing)

And I heard you found someone new  
I guess that's what I get  
For getting hooked up on acting like you don't exist  
And it cuts just like a knife  
I thought one day you'd be the groom I'd be the bride  
And what I wouldn't give to wake up to you one more time (one more)  
Instead I'm pulling pictures out to help me ease my mind  
But for now (for now)  
I guess all I can say is I'm sorry (I'm sorry)  
For letting you get away from me

Now I'm looking at you with this dumb look on my face  
Wishing I could say I'm sorry  
Wishing I could make you stay  
Cause I messed up I know  
I was fucked up I know  
Sorry ain't gonna change a damn thing  
Sorry ain't gonna change a thing

And I know (I know)  
Sorry ain't gonna make it right (sorry ain't gonna make it right)  
And I know (oooo babe)  
Sorry ain't gonna change your mind (wish I could get one more chance)  
And I know  
Sorry ain't gonna make up the love we once had  
And I know  
Sorry ain't gonna bring you back (it ain't gonna bring you back)

Now I'm looking at you with this dumb look on my face  
Wishing I could say I'm sorry

Wishing I could make you stay  
Cause I messed up I know  
I was fucked up I know  
Sorry ain't gonna change a damn thing  
Sorry ain't gonna change a thing  
...
