

Admitting The Truth

Myka Relocate

Come on

Wo-oh-wo-oh-wo-oh

I can't believe
That I'm falling back again
When I swore I'd never trust you
This is it
It's safe to say right now
That I'm burning out

I promise
Take it from me if you believe
We're more than hopeless
Cause I know
It won't make me better than you
Oh, no

[Chorus:]
This is the end
Of never following through
Now I'm admitting the truth
Now this is the end
Of always failing to see
That the difference is inside of me
Wo-oh-wo-oh-wo-oh

This ignorance is all you've known
You've gotta dig yourself
Out of this hole
Yeah

Face what you've done
Just face what you've done

Digging, struggling
Fighting the truth
Just to prove
It won't make me better than you
Oh, no
We're all scared of being alone
Don't leave me here on my own

[Chorus:]
This is the end
Of never following through
Now I'm admitting the truth
Now this is the end
Of always failing to see
That the difference is inside of me
Wo-oh-wo-oh-wo-oh

Face what you've done
Just face what you've done
Eah
Yeah, yeah

I can't believe
That I'm falling back again
When I swore I'd never trust you
This is it
It's safe to say right now
That I'm burning out

Wo-o-o-oh
Wo-o-o-oh-uh-oh
Wo-o-o-oh
We were never meant to be alone
Wo-o-o-oh
(We were never meant to be alone)
Wo-o-o-oh-uh-oh
Wo-o-o-oh
We were never meant to be alone
Wo-o-o-oh-uh-oh
Wo-o-o-oh
Cause we were never meant to be alone

[x2:]
I'm not alone
I'm not alone
When I'm with you
Your heart is my own
