

Bugged Out

Mykki Blanco

We on the roll out dog
Es el "Diablo Blanca"
Sweet little crown, bad bitch, stand across me
[?] 'bout to smoke that
Chicago niggas rape, Chicago niggas grim creep
Them west side boys will kill you, Roy
I'm a sin to them all, blood runs and destroy
Deciding killer rain wide on his goons
And show our fully angst on these fools

He said
I know I'm wild, I know I'm also bugged out shit
Shorty you feel this black magic that I speak
I know I'm wild, I know I'm also bugged out shit
Shorty you feel this black magic that I speak

He said
I know I'm wild, I know I'm also bugged out shit
Shorty you feel this black magic that I speak
(I Said, my head, I said in, my head)
He said
I know I'm wild, I know I'm' also bugged out shit
Shorty you feel this black magic that I speak
(I Said, my head, I said in, my head)

(Step away from me, step away from me)

Yo, for real, I hate a "follower nigga"
Them groupies are the worst, unless you swallow it, nigga
How many pos who fuck boys are here feeling lucky?
I got a Tiki made of blunts, let's blow that native money
You ain't a homie, you a tag along nigga
Raggedy ass stan, just drag along nigga
Yeah, you see me posing for these photos
Highly worn, bitch, kiss on my ring, Frodo
All they saying "No homo", look at this homie swinging
Money changes everything, bitch, and I'm ring-ding-a-ling
Got the flash, Mykki cashing every dish
You motherfuckers ain't shit, switch from a dick to a clit
Now come and eat it, munchin' munchin', motherfucker
Come and eat it

(I know I'm wild, I know I'm also bugged out shit)
(Shorty you feel this black magic that I speak)
I feel like the prettiest girl in the whole room
(I know I'm wild, I know I'm also bugged out shit)
(Shorty you feel this black magic that I speak)
I scare you nigga! I scare you bitch! Let's go!

He said
I know I'm wild, I know I'm also bugged out shit
Shorty you feel this black magic that I speak
(I Said, my head, I said in, my head)
He said
I know I'm wild, I know I'm also bugged out shit
Shorty you feel this black magic that I speak

He said

I know I'm wild, I know I'm also bugged out shit

Shorty you feel this black magic that I speak

(I Said, my head, I said in, my head)

He said

I know I'm wild, I know I'm also bugged out shit

Shorty you feel this black magic that I speak

(I know you there, I know you just a bugged out shit

Shorty can you, can you get into it, in my head? in my brain, I said in my head, in my brain...)
