

# Johnny

Mykki Blanco

I was so mad at my dad and everybody in Georgia  
Man, I swear, I was never goin' there again  
I caught an STD, had a fever run a hundred and three  
Took some pills and hit the strip and that's when-

Where's the dope so low?  
Oh, no, no, hope I had  
No, well-, time myself  
Everybody's got pass, baby, I want this to last  
That's why I'm-, telling it to you

I said, "Johnny, I told you that I wasn't a Romeo"  
I said, "Johnny, I told you that I wasn't a Romeo"  
I said, "Johnny, I told you that I wasn't a Romeo"  
I said, "Johnny, I told you that I wasn't a Romeo"  
I said, "Johnny, I told you that I wasn't a Romeo"  
I said, "Johnny, I told you that I wasn't a Romeo"
