

# Love Fell Down Around Me

Mykki Blanco

It's good, oh, it's good, oh, it's good 'til it's gone, so good  
It's good, oh, it's good, oh, it's good 'til it's gone, so good

I didn't make a fuss about it, I didn't yell at all  
Your tears on blue jeans, my coffee on the living-room floor  
I said the worst things ever that night, forgive me  
(Please forgive me, yeah)

Two houses, both alike in dignity, it's wild to me  
You've made a choice that nothing can be just like before  
Now why is that?  
You're such a good actor  
(And the award goes to you)

It's good, oh, it's good, oh, it's good 'til it's gone, so good  
I said your love fell-down around me  
Your love fell-down around me  
Around me, around  
It's good, oh, it's good, oh, it's good 'til it's gone, so good  
I said your love fell-down around me  
Your love fell-down around me (oh-oh)  
Around me, around (oh-oh)

I say too much, and then you blush, and it's over  
A daisy chain amongst a garden of clovers  
Call a spade a spade, yeah, you're breaking away  
Said you're leaving today, said you're making me pay  
I don't see it that way  
But I think you're prone, I think you love the confusion  
Don't got no answers and don't want no solutions  
Said you're letting me go, call me worthless I know  
That's my keys to the door, that's my ring on the floor  
Excuse me

It's good, oh, it's good, oh, it's good 'til it's gone, so good  
I said your love fell-down around me  
Your love fell-down around me  
Around me, around  
It's good, oh, it's good, oh, it's good 'til it's gone, so good  
I said your love fell down around me  
Your love fell-down around me (oh-oh)  
Around me, around (oh-oh)

It's good, oh, it's good, oh, it's good 'til it's gone, so good  
I said your love fell down around me  
Your love fell-down around me (oh-oh)  
Around me, around (oh-oh)  
It's good, oh, it's good, oh, it's good 'til it's gone, so good  
I said your love fell down around me  
Your love fell-down around me  
Around me, around
