

Lucky

Mykki Blanco

Snow White La Blanca, Mrs Vanilla scrilla
Flex Magilla Gorrilla, iconic bitch, I'm a pillar
These hoes talk about realness, don't even trust they own feelings
Tori Burch on your flip flops, you confused, I can feel it

I am so lucky, how much that dog in the window?
Blueberry blunt, wrap that endo, I feel tranquilo, so zendo
I Princess Peach his Nintendo, he eat my ass, he like lindo
He got a fat innuendo, I scream out loud, "Jesus Christo!"

I live the fast life, shine in the bright lights
Swole in the good life, let these hoes know
(Oh, I feel so lucky, I'm so lucky)
Let these hoes know, let these hoes, hoes know
I live the fast life, shine in the bright lights
Swole in the good life, let these hoes know
(Oh, I feel so lucky, I'm so lucky)
Let these hoes know, let these hoes, hoes know

Oh, yeah, they watch me but they can't do it like Mykki
Same bitches acting so scared of me, bitch I'll pay for your therapy
Help your ass get some clarity, poster child for my charity
Get yourself an identity, I detest such vulgarity

I live the fast life, shine in the bright lights
Swole in the good life, let these hoes know
(Oh, I feel so lucky, I'm so lucky)
Let these hoes know, let these hoes, hoes know
I live the fast life, shine in the bright lights
Swole in the good life, let these hoes know
(Oh, I feel so lucky, I'm so lucky)
Let these hoes know, let these hoes, hoes know

Rolling dice since Haze Boogie had niggas geeking
My career has never stalled, bitch, it's only peaking
How'd I do it with my flaws? Guess I'm just a genius
Satin panties on my penis, counting money, acting fiendish

Throw me in the wishing well
To all my haters yeah I wish you well...
Throw me in the wishing well
To all my haters yeah I wish you well...
Throw me in the wishing well
To all my haters yeah I wish you well...
Throw me in the wishing well
To all my haters yeah I wish you well...
