Lukas is my  
Very best guy  
Give him a try  
Oh, Lukas  
Lukas is blind  
In his left eye  
I never knew why  
Oh, Lukas  
Lukas is cool  
With all of the queers  
But he's not a fag  
Oh, Lukas  
Lukas is scared  
Of [?] like me  
Of [?] like you

Ohhh  
Lukas  
Ohhh  
Lukas

Lukas needed some lady time to himself  
He tried to stop drinking, and he couldn't stop wanking  
So he started imagining, being a lady sucking on his own dick  
And it felt so good he couldn't stop doing it  
He kept wanking and wanking  
Feeling like a lady and there was hair everywhere

Lukas is fucked  
Like all of those girls  
And that's not a lie  
Lukas runs fast  
Faster than you  
I bet if you try  
Lukas has kissed  
A few of our friends  
I guess he's a bi  
Lukas is bound  
For the circles of hell  
But he ain't gonna fry

Ohhh  
Lukas  
Ohhh  
Lukas  
Ohhh  
Lukas  
Ohhh  
Lukas
