

Trust a Little Bit

Mykki Blanco

Trust a little bit, little bit, little bit
Trust a little bit
Trust a little bit, little bit, little bit
Trust a little bit

What you see when you look at me?
What you think when you blink and you cannot breathe?
I cannot leave, the feeling is inconclusive
So elusive, borderline damn abusive
Hold your heart while you hold my hand
These situations we cannot plan
Faith in me, shorty, faith indeed
Let's be one, no forsaken me
I do bad, you do bad too
You point at me, I point at you
Silly shit, it's not the vision, crash collision
God my witness, trust I'm in this, trust I'm with this
No bad business, I'm straight up
I can't front on the one I love
A different high, yo, it ain't no buzz
It must be love, it must be trust

So I need you to just
Trust a little bit, little bit, little bit
Trust a little bit
So I need you to just
Trust a little bit, little bit, little bit
Trust a little bit

Trauma, drama, you think I want it?
No self-esteem, you don't think I got it?
Expose my flaws like you ain't got nothing
One less straw but I know you bluffing
The best in life, yo I need you right
Yo I need your light, yo I need to fight
Apology, a eulogy to you and me
I won't accept, I can't conceive
Believe that, Mykki need that
Twins so play the games, you lead that
Bullshit, fake, I can't, I won't take
On my chest and face, it won't make
No more tears and no more crying
My heart is yours and I ain't lying
Trust in me, don't lust in me
I fuck with you, yo you fuck with me?
Trust

Trust a little bit, little bit, little bit
Trust a little bit
So I need you to just
Trust a little bit, little bit, little bit
Trust a little bit
So I need you to just
Trust a little bit, little bit, little bit
Trust a little bit
So I need you to just
Trust a little bit, little bit, little bit

Trust a little bit
So I need you to just

I need you
I need you
I need you
Oh-oh, oh-oh-oh-oh-oh
I need you
I need you
I need you
Oh-oh, oh-oh-oh-oh-oh
I need you
I need you
I need you
Oh-oh, oh-oh-oh-oh-oh
I need you
I need you
I need you
Oh-oh, oh-oh-oh-oh-oh
