

# Stargazing

Myles Smith

Time stood still  
Just like a photograph you made me feel  
Like this would last forever lookin' in your eyes  
I see my whole life

Oh-oh-oooh  
They say you know it when you know it and I know  
Oh-oh-oooh  
Promise that you'll hold me close, don't let me go  
(Hey!)

Take my heart, don't break it  
Love me to my bones  
All this time I've wasted  
You were right there all along  
You and I stargazin'  
Intertwinin' souls  
We were never strangers  
You were right there all along

I lose my mind  
When I'm around you how I come alive  
When I'm without you I can't help but feel so lost  
I wanna give you all I've got

Oh-oh-oooh  
They say you know it when you know it and I know  
Oh-oh-oooh  
Promise that you'll hold me close, don't let me go  
(Hey!)

Take my heart, don't break it  
Love me to my bones  
All this time I've wasted  
You were right there all along  
You and I stargazin'  
Intertwinin' souls  
We were never strangers  
You were right there all along

Oh-oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh-oh  
All along  
Oh-oh-oh-oh  
Oh-oh-oh  
Oh-oh-oh-oh

Take my heart, don't break it  
Love me to my bones  
All this time I've wasted  
You were right there all along
