

Waste

Myles Smith

Oh-oh-oh, oh-oh-oh, ooh
Oh-oh-oh, oh-oh-oh, ooh

Worlds collide
People come and people go
Time passes by
Feels like yesterday when we locked

Eyes
Look up at the stars, wondering where you are
Oh, I
I just wanna say

I know that we've gone our separate ways
But all of our love won't go to waste
I'm gonna hold on to all of our days
So none of these memories slip away
Wherever you are, wherever I go
I hope someday that we cross roads
I know that we've gone our separate ways
But all of our love won't go to waste
It won't go to waste

Oh-oh-oh, oh-oh-oh, ooh
Oh-oh-oh, oh-oh-oh, ooh

Nothing ends
Broken hearts, they fall apart
To start again
It might not be the same but it's

Alright
It ain't the last page, but the story has changed
Oh, I
I just wanna say

I know that we've gone our separate ways
But all of our love won't go to waste
I'm gonna hold on to all of our days
So none of these memories slip away
Wherever you are, wherever I go
I hope someday that we cross roads
I know that we've gone our separate ways
But all of our love won't go to waste
It won't go to waste

Oh-oh-oh, oh-oh-oh, ooh
Oh-oh-oh, oh-oh-oh, ooh
Oh-oh-oh, oh-oh-oh, ooh
Oh-oh-oh, oh-oh-oh, ooh

Still in my head, still in my mind
It will time, it won't go to waste
Through the dark times, through the headlines
Through the long nights, it won't go to waste
Are you out there in the cold sweat?
If I'm honest, I still miss your face

Still in my head (Still in my head), still in my mind (Still in my mind)
It will time (It'll take time), it won't go to waste

Oh-oh-oh, oh-oh-oh, ooh
Oh-oh-oh, oh-oh-oh, ooh
Oh-oh-oh, oh-oh-oh, ooh (And it will time)
Oh-oh-oh, oh-oh-oh, ooh (It won't go to waste)
