

Gravity

MYMP

Something always brings me back to you
It never takes too long
No matter what I say or do
I'll still feel you here 'til the moment I'm gone

You hold me without touch
You keep me without chains
I never wanted anything so much
Than to drown in your love and not feel your reign

Set me free, leave me be
I don't want to fall another moment into your gravity
Here I am and I stand so tall, just the way I'm supposed to be
But you're on to me and all over me

Oh you loved me 'cause I'm fragile, when I thought that I was strong
But you touch me for a little while, and all my fragile strength is gone

Set me free, leave me be
I don't want to fall another moment into your gravity
Here I am and I stand so tall, just the way I'm supposed to be
But you're on to me and all over me

I live here on my knees as I try to make you see
That you're everything I think I need here on the ground
But you're neither friend nor foe, though I can't seem to let you go
The one thing that I still know, is that you're keeping me down
...
Ooooh...

You're keeping me down, yeah, yeah, yeah, yeah
You're on to me, on to me, and all over...

Something always brings me back to you
It never takes too long
