

Sway

MYMP

Don't stray
Don't ever go away
I should be much too smart for this
You know it gets the better of me

Sometimes
When you and I collide
I fall into an ocean of you
Pull me out in time

Don't let me drown
Let me down
I say it's all because of you

And here I go
Losing my control
I'm practicing your name
So I can say it to your face

It doesn't seem right
To look you in your eye
Let all the things you mean to me
Come tumbling out my mouth

Indeed it's time
To tell you why
I say it's infinitely true

Say you'll stay
Don't come and go
Like you do
Sway my way
Yeah I need to know
All about you

And there's no cure
And no way to be sure
Why everything turned inside out
Instilling so much doubt

It makes me so tired
I feel so uninspired
My head is battling with my heart
My logic has been torn apart

And now it all turns sour
Come sweeten
Every afternoon

Say you'll stay
Don't come and go
Like you do
Sway my way
Yeah I need to know
All about you (2x)

It's all because of you

It's all because of you

Now it all turns sour
Come sweeten
Every afternoon

It's time
To tell you why
I say it's infinitely true

Say you'll stay
Don't come and go
Like you do
Sway my way
Yeah I need to know
All about you (2x)

It's all because of you
It's all because of you
It's all because of you
