

Can't Nobody Do Me Like Jesus

Myron Butler

Can't nobody, ooh
Can't nobody do me
Can't nobody
I want you to know, can't do me
Can't nobody, ooh
Can't nobody do me
Can't nobody
Can't nobody do me, do me

Do-ooh me like Jesus
Ooh-do me like Jesus
Ooh-do me like Jesus
Can't nobody

Can't nobody do me like Jesus
Can't nobody do me like the Lord
Can't no, can't no, nobody do me like Jesus
He's my friend

Do me like Jesus, ooh
Can't do me, can't do me
Like Jesus
I know, I know

Can't nobody do me like Jesus
Can't nobody do me like the Lord
Can't nobody do me like Jesus
He's my...

(He's my friend
He's my friend
He's my friend)

He healed my body
Told me to run on
Healed my body
Told me to run on
Healed my body
Told me to run on
He's my friend

(He's my friend)
He is my friend
(He's my friend)
Can't nobody do me
(He's my friend)
Can't nobody do me, do me
He's my friend

(He's my friend)
He's my friend
(He's my friend)
When you need a friend
(He's my friend)

He picked me up
And He turned me around

He picked me up
And He turned me around
He picked me up
And He turned me around
He's my friend

(He's my friend)
Can't nobody
(He's my friend)
He's my friend
(He's my friend)
Can't nobody do me, do me
Tried and true
(He's my friend)
Through thick and thin
(He's my friend
He's my friend)

Can't find nobody
Can't find nobody
Can't find nobody
Can't find nobody
Can't find nobody
Can't find nobody

Can't find nobody
Can't find nobody
Can't find nobody
Can't find nobody
Can't find nobody
Can't find nobody

Searchin', searchin' far and wide
Couldn't find nobody
Searchin', searchin' far and wide
Couldn't find nobody

I searched high and I searched low
And I still couldn't find nobody
There is nobody, nobody like You
No, nobody, no, not one
I searched high and I searched low
And I still couldn't find nobody
Nobody like You, nobody like You
Nobody like You, no, not one

No, not one
No, not one
No, not one
No, not one

He's my friend
He's my friend
He's my friend
He's my friend
