

# Stronger

Myron Butler

Uh... I know they wasn't expecting this... uh... put your hands  
up... yeah... well... check it out we gon' flip it like this n  
ow... uh... what it is

Brother if it ain't one thing then its another  
Instead of getting easier it harder to make it through the day  
(it's, gon' be alright it's gon' be alright)  
But God promised that days like this would come but He'd be wit  
h you  
The good the bad Its all working for you in time the sun will s  
hine again

I'm stronger than I was before,  
I'm better smiling so much more  
I'm wiser now I know that I, I'm stronger  
I'm stronger (yeah)

Sister you feel the pain is more than you can handle  
And you wonder Lord how much longer will these dark nights last  
But after the night is gon' be sunshine so much brighter  
The heavy load it seems a little lighter you'll be alright and  
you'll say

Every tear you cry  
Every sleepless night  
Every closed door was worth it and much more (worth it and much  
more) watch it make you grow oooo, grow

Oh, oh, oh, oh  
oh, oh, oh, oh  
oh, oh, oh, oh  
oh, oh, oh, oh  
oh, oh, oh, oh  
oh, oh, oh, oh  
oh, oh, oh, oh  
oh, oh, oh, oh  
oh, oh, oh, oh, yo

Oh yeah, oh yeah

TO EVERYBODY THAT THOUGHT THE TEST WAS GON' TAKE YOU OUT YOU T  
HOUGHT YOU WERE GOING UNDER, and that there was no help in sig  
ht on the other side of it you found out that... I'm stronger,  
I'm stronger
