

Your Presence

Myron Butler

In the waiting
In the silence
In the wanting
Is where I find you
In the darkness
In the weeping
In the wrestling
Is where I find you

One thing do I seek
One thing I desire
One thing do I ask of you
One thing do I seek
One thing I require
One thing do I want of you

It's your presence
Your presence, nothing but your presence
It's your presence
Your presence, nothing but your presence

In the trusting
In the praying
In the worship
Is where I find you
In the dying
In the rising
In surrender
Is where I find you

One thing do I seek
One thing I desire
One thing do I ask of you
One thing do I seek
One thing I require
One thing do I want of you

It's your presence
Your presence, nothing but your presence
It's your presence
Your presence, nothing but your presence
