

3000 Lightyears

Mystery Skulls

I'll be there holding on
3000 light years holding on
3000 live times holding on
3000 light years holding on
For you

I'll be there holding on
3000 light years holding on
3000 live times holding on
3000 light years holding on
And waiting for you

(I'll be there) I'll be there
Holding on because you're my golden
I'm trying to see you in my dreams

I'll be there
Every time that your
Feels get down you know
You're my everything

I'll be there holding on
3000 light years holding on
3000 live times holding on
3000 light years holding on
For you

I'll be there holding on
3000 light years holding on
3000 live times holding on
3000 light years holding on
And waiting for you

(I'll be there) I'll be there
Holding on because you're my golden
My start up for eternally

Nothing is stronger
Than this love, you know that
Whoever would get just what that word means

I'll be there holding on
3000 light years holding on
3000 live times holding on
3000 light years holding on
For you

I'll be there holding on
3000 light years holding on
3000 live times holding on
3000 light years holding on
And waiting for you

I'll be there
(I'll be)
(I'll be there waiting for you)
(Oh yeah)

I'll be there holding on
3000 light years holding on
3000 live times holding on
3000 light years holding on
And waiting for you

I'll be there holding on...
