

Find a Way

Mystery Skulls

I just wasn't ready, but, baby, I'll find a way
Baby, I'll find a way, find a way to get you back

So right now, your love is so good to me
You're love is a mystery and, baby, I promise I'll find you
There's no one in this world that means more to me
And your love is a mystery, and, baby, I promise I'll find you

I just wasn't ready, but, baby, I'll find a way
Soon I will lose my mind, now I'm back this time

Right now, your love is so good to me
You're love is a mystery and, baby, I promise I'll find you
There's no one in this world that means more to me
And your love is a mystery, and, baby, I promise I'll find you

I promise I'll find you
I promise I'll find you
