

# Ghost

## Mystery Skulls

Uh  
'Cause the world might do me in  
It's alright, 'cause I'm with friends  
Guess I'm giving up again  
It doesn't matter (Ooh ooh)

I been feeling like a ghost  
And it's what I hate the most  
Guess I'm giving up again  
This time  
(This time)  
(This time)

This time I might just disappear (alright)  
(oh oh oh)  
This time I might just dis-  
(okay!)  
This time I might just disappear (uh)  
(oh oh oh)  
This time I might just dis-  
(okay!)

Uh  
Try and hear me then I'm done  
'Cause I might just say this once  
Seen this play out in my dream  
It doesn't matter (Mmmm)

Time for givin' up the ghost  
Fuck, it's you I hate the most  
Baby, there's no guarantee  
It doesn't matter, uh

This time I might just disappear (alright)  
(oh oh oh)  
This time I might just dis-  
(okay!)  
This time I might just disappear (uh)  
(oh oh oh)  
This time I might just dis-  
(okay!)

This time I might just disappear  
(oh oh oh)  
This time I might just dis-  
(okay!)  
This time I might just disappear (uh)  
(oh oh oh)  
This time I might just dis-  
(okay!)

This time I might just disappear (alright)  
(oh oh oh)  
This time I might just dis-  
(okay!)  
This time I might just disappear (uh)  
(oh oh oh)

This time I might just dis-  
(okay!)
