

Just Getting Started

Mystery Skulls

What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?

They're trying to tell us it's over
Yeah, that was just all a dream
I need to show them it's over
All the times they tried to hold us down

What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?
Here and now?
Ooh, that's what it is

Baby, they tried to slow us down
Yeah baby, they tried to cut us out
Yeah baby, they tried to slow us down
It's impossible
Yeah

What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?

What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?
Here and now?
Ooh, that's what it is
What if we're just getting started?

What if we're just getting started?
