

Yeah

Mystery Skulls

Yeah

Yeah

Because the world
Expects so much of me
And all I really want is to be
Just happy

Again, and just hang out with my friends
And just clear my head
'Cause nothing really matters now
We're dancing to David Bowie
Yeah

Yeah

Yeah

Just want an easy life
Easier than it has been
Just wanna leave it behind
Move out there to the east coast

Just hang out with my friends
Just clear my head
'Cause nothing really matters now
We're dancing to David Bowie
Yeah

Yeah

Yeah
